

Welcome to a new world
that gives small companies
bigger opportunities.

To experience a new world with bigger opportunities, do as follows:

1. Visit www.omxgroup.com/firstnorth
2. Search for the list of our Certified Advisors (CA) and contact one of them
3. Let the CA help you get listed on First North
4. If you want to wait, just plant the seeds in this bag and you will still experience growth, but on a smaller scale.

This bag contains seeds from *Calendula Officinalis* and gives you a mix of yellow and orange summer flowers. Growth period: May-June. Flowers from mid July to mid autumn.
