

Introducing...

Natuur spreekt mensen aan. Men voelt zich prettig en ontspannen in een groene omgeving, wat kan leiden tot inspiratie voor nieuwe uitdagingen. Daarom ontwikkelt promo seeds continu nieuwe groene promoties. Niet alleen ter ondersteuning van het milieu, maar ook om de natuur onder de aandacht te brengen bij relaties en medewerkers. Kies voor iets nieuws en geef voor de kerst aan uw relaties een groene attentie: een promotie met aandacht voor de natuur als blijvende herinnering. Door te kiezen voor een groene promotie, brengt u de relatie met uw klanten tot bloei.

L'homme aime la nature. Il se sent bien dans un environnement "vert", cela le détend et il en ressort prêt à affronter de nouveaux défis. C'est pourquoi Promoseeds développe sans cesse de nouveaux cadeaux sur le thème de la protection de l'environnement qui vous permettent d'apporter un renouveau dans vos rapports avec vos clients et également en interne avec vos employés. Pensez différemment, lorsque vous offrez un présent, créez la surprise avec par exemple un cadeau de Noël sur le thème de la nature.

Die Menschen lieben die Natur. Sie fühlen sich wohl in grüner Umgebung, sie entspannen und tanken Energie für neue Herausforderungen. Deswegen entwickelt promo seeds ständig neue natürliche Werbemittel, damit Sie die Umwelt nicht nur aktiv unterstützen, sondern auch unter Ihren Kunden und Mitarbeitern Freude verbreiten können. Schenken Sie anders - setzen Sie Werbemittel ein, die die Umwelt fördern und das Herz der Menschen berühren. Wachsen Sie mit Ihren Kunden - im Einklang mit der Natur.

Mennesker elsker naturen. Man føler sig godt tilpas i grønne omgivelser, slapper af, og samler ny energi. Derfor udvikler promo seeds konstant nye, naturlige reklameartikler. Ikke kun for at støtte naturen og miljøet, men naturligvis også for at kunne glæde kunder og medarbejdere. Tænk anderledes, overrask f.eks. til jul med anderledes ideer fra naturen. Brug reklame- og gaveartikler som gavner miljøet, og huskes i lang tid, fordi de rører ved folks hjerter og følelser. Så, gro og høst sammen med kunderne på en naturlig og miljøvenlig måde.

People love nature and the feeling of wellbeing it provides. A green environment provides natural energy sources to relax and revive the body so it can face new challenges. This is why Promo seeds continuously develop new natural promotional gifts, not only to support the environment but also to bring joy and happiness into business relationships with clients and employees. Think differently when giving christmas presents and surprise someone with a gift of nature.

L'uomo ama la natura. Nel suo "verde" si rilassa e trova energia. Per questo motivo Promoseeds sviluppa continuamente nuovi regali promozionali naturali, per sostenere la natura vegetale, ma anche per portare allegria e gioia nelle relazioni con i vostri clienti e collaboratori. Pensate diverso quando farete un prossimo regalo, fate una sorpresa con un regalo natalizio tutto al naturale. Scegliete un regalo che privilegi le emozioni semplici e naturali. Quelle che rimangono nel cuore della gente.

El hombre ama la naturaleza y la sensación de bienestar que nos transmite a través de las plantas y los árboles. Un entorno verde proporciona fuentes naturales de energía para relajar el cuerpo y ayudar a afrontar nuevos retos. Por ello, Promo seeds se esfuerza constantemente en desarrollar nuevos regalos promocionales naturales, no solo para preservar el medio ambiente sino para llenar de felicidad y alegría las relaciones de negocios. Estas navidades piense diferente y sorprenda a sus clientes y empleados con un regalo lleno de naturaleza.

bulb products

Modern horticultural techniques allow flower bulbs to be enjoyed at almost any time of the year. A very popular time is Christmas when special varieties such as Amaryllis, Hyacinth and Narcissi are specially treated to flower during the festive season. With this knowledge and expertise Promoseeds have developed a range of bulb kits which can be enjoyed indoors during the winter months before spring arrives. These kits add a classic touch of style to any interior decor.
